## Cricket fever

Posted by ellawilson - 2007/03/15 05:39

---

Everyone now the cricket fever is on his boom stage and every cricket lovers are suffering from this cricket fever. World cup is the biggest war among 16 counties. Who will be winner, no one can predict it, because every team performs well.

As we know that Aus has won this trophy two times continuously and this is time to make hat-trick. Will Aus make hat-trick? Or some is going to break kangaroo's dreams?

Cricket fever for cricket lovers
